My work “The Power of Our Words” revolves around the basic mode of our expression, words, they can move you to tears, evoke absolute joy or lead you in action there are words of encouragement, of sympathy, of Love & admiration. The right words can give you strength, define your faith, and give flight to things that live in your imagination.

In my illustrative paintings surrounded by the harmonious expressions that portraying the imagination and faith in right words that can be a source of nourishment to the souls. Words will inspire us cut us and they have a power to bring us back to our lives.
